XFINITY 2018 1 Voice Regional Gospel Showcase Enrollment Update

We hope this enrollment update finds you in good spirits and off to a great start of the New Year.

With the recent government shut down and record cold temperatures seemingly behind us, spring will soon be here and with the much anticipated change in seasons brings great weather and even greater praise! XFINITY looks forward to becoming a supporting community partner as well as part of your Easter Season praise and worship experience. That in mind, earlier this month you and/or your churches' Music Departments should have received an email announcement alerting you about the launch of the **1 Voice Regional Gospel Music Showcase sponsored by XFINITY**.

This exciting Talent Showcase developed in partnership with Impact Television Network will launch right here in the DMV. This collaborative effort is designed to celebrate the breadth of outstanding local talent within our houses-of-worship, while highlighting key activities that help bring our community together. Complimentary to members of participating churches the Showcase will feature *select* local gospel praise and worship teams from churches both large and small - and in the same spirit - across the region vying for grand prizes in front of a live audience and a celebrity judging panel.

This is an All-In Community event and it is important that every congregation member from the participating churches feel welcomed - we are kicking-off the Showcase with a pre-Easter reception on Good Friday, March 30, 2018, at the new expansive XFINITY Studio Store in Washington, DC – and we invite your congregations to come out to support their praise or worship team at the culminating **1 Voice Regional Gospel Music Showcase** live performance to be held **Saturday, March 31, 2018** at the centrally located 800 seat Bowie Center for the Performing Arts in Bowie, Maryland.

We are certain there are members within your congregation whose immeasurable talents need to be heard and great faith-based community programs whose narrative(s) need to be amplified. **So, [enroll now](#)**. It's Free and all praise and worship teams are welcomed!

Please make note of some key details as described below:

- ❖ Your Praise or Worship Team format can be a combination of choir members which may include liturgical dance, soloist or whatever helps you get your praise on and will raise the roof! Five Praise or Worship teams will be selected to perform live.
